FIS-PISTE REGULATIONS

- RESPECT FOR OTHERS:** every person partaking in Winter sports must behave in such a way that he does not endanger or prejudice others.
- CONTROL OF SPEED AND TECHNIQUE:** all persons partaking in Winter sports must remain in control of their movements. They must rely on their personal skills and abilities during downhill skiing and take into account the terrain, snow and weather conditions as well as the number of skiers on the slope.
- CHOICE OF ROUTE:** skiers partaking in Winter sports must select his route in such a way that he does not endanger skiers or snowboarders ahead.
- OVERTAKING:** skiers may overtake other skiers above or below, on the right or the left, but must leave enough distance between themselves and other skiers to allow them to manoeuvre properly.
- ENTERING, STARTING AND MOVING UPWARDS:** every skier who wants to enter a slope or reenter it after making a stop, must look up and down the hill to ensure that this can be done without causing a hazard to himself or others.
- STOPPING ON THE PISTE:** all persons partaking in Winter sports must avoid stopping at blind corners or narrow or enclosed places unless they have to. If they fall in such areas, they must do their best to leave the spot as quickly as possible.
- CLIMBING AND DESCENDING ON FOOT:** anyone walking up or downhill must keep to the edge of the slope.
- RESPECT FOR SIGNS AND MARKINGS:** all persons partaking in Winter sports must pay attention to and follow the markings and signs on the slopes.
- FIRST-AID:** in the event of an accident, all persons partaking in Winter sports are required to provide assistance.
- IDENTIFICATION:** every person partaking in Winter sports, whether a witness or personally involved in an accident, is required to provide their personal details in the event of an accident.

SKI PISTES

easy medium difficult floodlit

Ski pistes are marked with coloured signs to indicate the level of difficulty. These signs also display the slope number. Ski pistes and safe ski areas are marked and prepared as far as possible. They are also monitored and protected against atypical alpine hazards, especially against avalanches.

SKI ROUTES / OFF-PISTE

Ski runs are marked by diamond-shaped signs, which indicate the route. The routes are only partially groomed; they are not monitored and are protected against avalanche only in the vicinity of the signage.

extreme Off-piste: not groomed, not controlled, not marked, not secured!

DISCOUNTS

OFFICIAL PHOTOGRAPHIC ID required!

Children: Discounts under 17 years old - under 8 years old accompanied by one parent free of charge

OAP: from 60 years of age

Disabled: Discount (the child's rate) 70 % impairment of earning capacity.

TERMS AND CONDITIONS

GENERAL

The ski passes are non-transferable and must be presented when requested by the inspection personnel. No subsequent exchange, extension or postponement of the validity period is permitted. The individual services covered by the ski passes are provided by legally independent companies.

The business entity selling the ski passes is acting as a representative of other companies. The respective company is responsible for providing individual services and for compensation in the event of any incident. The ski area on the Austrian and Swiss side is serviced by different companies. In all other respects, the general terms and conditions are applicable to individual cable cars/lifts.

TRANSPORTING CHILDREN BY CHAIRLIFT

Children less than 1.10 m tall can only be transported if they sit on an adult's lap.

Children from 1.10 m to 1.25 m tall can be transported by chairlift only if accompanied by an adult (in the adjacent seat).

REFUNDS FOR ACCIDENTS:

Following ski accidents, the purchase price for ski passes with a period of validity of at least three days can be refunded pro rata for a processing fee of 11 Euro.

The refund of the purchase price requires the return of the ski

pass, as well as the report from the ski rescue.

A refund will only be granted when the pass is no longer to be used after the accident and is limited to the days following the day of the accident. Refunds for ski passes of those accompanying a person involved in an accident are not permitted.

REPLACEMENT FOR LOST OR DAMAGED SKI PASSES:

For lost or damaged ski passes with a period of validity of at least three days, a new ski pass can be issued for a processing fee of 11 Euro (plus a 5 Euro deposit).

To get a replacement, you are required to present a revocation document and official photo identification. If the ski pass had already been used on the day that the notification of its loss was made, the validity period of the newly issued ski pass is limited to the following days. Defective ski passes (without visible external damage) can be replaced only upon presentation of proof of purchase.

LIMITATIONS ON THE NUMBER OF TICKETS

The company reserves the right to limit the number of all or some tickets it sells, if the snow coverage is poor or ski pistes are overcrowded. Prices subject to modification, including on a daily basis, especially during events.

TRANSPORTATION OF PARAGLIDERS ON CHAIRLIFTS

in the ski area is prohibited. Transportation of hang-gliders is not available throughout the ski area. Starts, landings and flyovers are not permitted (on and in the area of open pistes and cable car facilities). Furthermore, all unmanned aircraft are forbidden in the ski area.

TRANSPORTATION OF DOGS

wearing a muzzle and leash is possible in the Silvrettabahn, Fimbabahn and Pardatschgratbahn. Transporting dogs on chair lifts is prohibited. Free-roaming dogs are not allowed on the slopes.

SILVRETTA SKIPASS

valid at 73 lifts in Ischgl + Samnaun + Galtür + Kappl + See

The following prices are also valid for the Ischgl/Samnaun ski resort without presentation of a guest card from Ischgl or Mathon. No price reductions are given if lifts in Galtür, Kappl and See are closed (at the start/end of the season). NOTE: ¼, ½ and 1 day passes are valid only in Ischgl/Samnaun.

CARD SYSTEM

KEY-CARDS

All ski passes for 2 days and for longer periods are issued in the form of a key card upon payment of a deposit of € 5.00. Undamaged key cards can be returned and the deposit refunded at all cable car counters, at the vending machines at the Silvrettabahn and Pardatschgratbahn lift valley station and on a voluntary basis, at accommodation establishments, sports shops and restaurants.

VIDEO MONITORING

DIGITAL RECORDING

We would like to point out that photos are taken for monitoring purposes at all check points in the Ischgl and Samnaun ski areas. The buildings of the Silvrettaseilbahn AG are monitored by CCTV.

MISUSE OF SKI PASSES – IT'S NOT WORTH IT!

Tickets not purchased from the counters and tickets reported as lost will be blocked by the barcode ticket readers.

To prevent any misuse of ski passes they are regularly checked throughout the ski resort! Anyone found on the ski area without a valid ski pass will face the following consequences:

1. Purchase of a day pass at the full standard price.
2. A fine double the amount payable for the daily ski pass (standard price) will be charged.
3. A report will be issued due to suspicion of subreption of service (§ 149 StGB) or suspicion of fraud (§ 146 StGB).

CLOSING TIME

NOTE

If the lifts are closed, this is because there is a risk caused by avalanches, piste machines, strong winds, snow machines etc. Using pistes and ski routes outside operational hours is dangerous to life.

CLOSING HOURS

Please note cable car/lift CLOSING HOURS! For instance: If you are late, you can come back to Samnaun or Ischgl only by road (taxi). At the beginning and the end of the season some lifts and routes may be closed.

IT'S YOUR NATURE TOO!

In accordance with the notice U-14.107/174, descents via the northern ridge of the Piz Val Gronda (in the direction of pillar 2) are forbidden due to the rare plants found there.

SKI TOURING

CAUTION Ski touring on the slopes outside the operating hours (17:00 to 09:00) is not allowed.

NEW ISCHGL SKYFLY

With the new Ischgl Skyfly daredevils glide on a wire cable, 50 metres above the ground, down the valley to Ischgl.

Speeds of up to 84 km/hour are achieved on the 2 kilometre route. Two track ropes run parallel to one another from the intermediate station for the Silvrettabahn A1 (1683m) above the two intermediate stations, and there are three route sections on the roof terrace for the valley station of the 3-5 Pardatschgratbahn A3 (1376 m). This means that 2 people can 'fly' into the valley and be next to one another.

The second route section of the new attraction proceeds beneath the 'Kitzloch' suspension bridge and the 'Fimbabahn' through the spectacular Kitzlochklamm. Adrenaline and adventure are guaranteed.

Ski equipment can be taken with you during the flight.

Details Altitude difference: 307 m

Length: 2 km
Maximum distance from the ground: 50 m
Speed: up to 85 km/hr

Opening hours Daily during the winter season
See www.skyfly-ischgl.at for opening hours

NEW SMUGGLERS CIRCUITS with game

Three border-crossing smugglers' circuits – Gold, silver and bronze – in various lengths and difficulty levels proceed through the Silvretta ski arena. The circuits are described in detail in their own folder.

The total length of the circuits is 59 km (Gold), 41.1 km (Silver) and 40.2 km (Bronze).

An attractive prize draw makes these circuits more attractive. Register for the prize draw in the hotel. Use the Ischgl app to track the Gold, Silver or Bronze Smugglers' circuits. Tracking works offline, which means no roaming costs. Download our free Ischgl app for iOS and Android systems on your Smartphone. www.ischgl.com/apps

To successfully participate in the prize draw all the checkpoints in one circuit have to be completed in one day and in the correct sequence. Upon completion, the GPS recording will be sent to the server and you will automatically be entered into the draw.

The start and finish are at the Fimbabahn A3 valley station in Ischgl and at Twinliner L1 in Samnaun.

The main prize is a 3 night stay in a 4*Hotel with half-board in Ischgl, incl. 4-day ski pass with entry to the Top of the Mountain Concert for 2 people.

Folders are at the cash desk of the Silvrettabahn A1, Pardatschgratbahn A2 and Fimbabahn A3 cable cars.
