PLEASE RESPECT PRIVATE PROPERTY BY STAYING ON DESIGNATED TRAILS

Backcountry terrain is not part of the resort. You are leaving the resort when you go through the backcountry exit points. There are no ski patrol services and there are many hazards. Avalanches are common in the backcountry. Skiers/riders leaving Canyons' boundaries do so at their own risk. Educate yourself before you go into the backcountry. Read posted signs and warnings about the backcountry before proceeding. Call the Utah Avalanche Forecast Center at 888.995.4070 for further information about backcountry conditions.

CANYONS SKIER/RIDER RESPONSIBILITY CODE	
1.	Always stay in control and avoid excessive speed. You must be able to stop or avoid other people or objects.
2.	People ahead of you have the right-of-way. It is your responsibility to avoid them.
3.	Do not stop where you obstruct a trail or are not visible from above.
4.	Before starting downhill or merging onto a trail, look uphill and yield to others.
5.	If you are involved in an accident or collision, you must exchange contact information with the other party.
6.	Always use proper devices to help prevent runaway equipment.
7.	Observe and obey all posted signs and warnings.
8.	Keep off closed trails and out of closed areas.
9.	You must have sufficient physical dexterity, ability and knowledge to safely load, ride and unload lifts.
10.	You may not ski or snowboard at Canyons if you are impaired by drugs or alcohol.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY. This is a partial list. Be safety conscious.
