YOUR RESPONSIBILITY CODE

Skiing/snowboarding can be enjoyed in many ways. At resorts you may see people using alpine, snowboard, telemark, cross country or other specialized equipment, such as that used by disabled or other skiers/snowboarders. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing/snowboarding that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers/snowboarders the responsibility for a great experience. Know your ability level and stay within it.

1. Always stay in control and be able to stop, or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

This is a partial list. Be safety conscious.

Officially endorsed by: NATIONAL SKI AREAS ASSOCIATION.

TO REPORT AN ACCIDENT

Mark the site by placing skis in an "X" or snowboard vertically above the injured person. Inform the nearest lift operator or patroller of the exact location, noting trail name, tower number, etc.

SKI/SNOWBOARD SAFETY

Stevens Pass is committed to promoting safe use of our mountain. Our staff monitors the runs and will remove lift tickets if, in their opinion, a person's actions jeopardize the safety of other skiers/snowboarders. Certain areas labeled "**Required Slow Areas**" have a no tolerance approach to reckless and unsafe behavior.

YOUR LIFT PRIVILEGES MAY BE REVOKED FOR

- Reckless skiing/snowboarding, defined as jumping into runs and blind areas, inverted aerials, fast skiing/snowboarding in slow or congested areas, or skiing/snowboarding out of control. "**Slow**" areas are designated on the trail map and are indicated on the runs by "**SLOW**" signs.
- Swinging, bouncing or jumping from chairs.
- Disorderly conduct, loud or abusive language, drunkenness, use of illegal drugs, throwing trash or other objects from lift. Skiing/snowboarding on "**Closed**" trails, or in closed areas, designated by Closed Area or Avalanche Closure signs. Removal, or moving of signs or bamboo or ducking ropes.

We ask for your cooperation in keeping Stevens Pass a safe, civilized and clean place.

DRONE POLICY

Drones or model aircraft use by guests, commercial operators, or the media is prohibited without prior written approval of Stevens Pass. Visit stevenspass.com/drones for more information.

ADDITIONAL INFO

Skiing/snowboarding involves risks. Watch out for man-made and natural obstacles, changing conditions, and other skiers/snowboarders. Ski/snowboard in control and within the area boundary, on either designated runs and trails or patrolled off-trail areas.

There is no avalanche control or patrol beyond the area boundary. Rescue from these areas, if available, may be slow and costly. Skiers/snowboarders should stay within the area boundaries for their own safety as well as the safety of others who may follow their tracks.

THERE IS A MINIMUM $1000 FEE IF A BACKCOUNTRY RESCUE IS INITIATED ON YOUR BEHALF.

The Stevens Pass Professional Patrol is on duty during operating hours for your assistance. Patrollers are stationed atop the Seventh Heaven and Double Diamond lifts and at the Patrol Aid Room in the Granite Peaks Lodge in the base area. During night operations patrollers are stationed atop Skyline, Hogsback, Tye Mill and Kehr's Chair. Please do not hesitate to ask for assistance or information.

Any person who is involved in a skiing/snowboarding accident and who departs from the scene of the accident without leaving personal identification or otherwise clearly identifying him or herself before notifying the proper authorities or obtaining assistance, knowing that any other person involved in the accident is in need of medical or other assistance, shall be guilty of a misdemeanor.

Every effort is made to keep trails and runs open.

Changing weather and snow conditions may require the temporary closure of a trail or run. For your safety, such closures **MUST BE OBEYED.** Violators may lose lift passes or tickets, without warning.

MILL VALLEY

The Mill Valley area can be reached by way of either the Double Diamond lift or the Tye Mill lift. The easiest return to the base area is from the Jupiter Express in Mill Valley and then down Skid Road run.

The names "Pegasus Gulch", "Andromeda Face", "Waybacks", "Orion Chutes", and "Polaris Bowl" are for reference only and are not designated trails or runs.

STEVENS KEEPS GREAT COMPANY

Our Official Partners:

CARTER ON THE ROAD TO CarbonNEUTRAL · SUBARU · Coca-Cola · BATDORF & BRONSON COFFEE ROASTERS · KIND · K2 · BURTON · MOUNTAIN HARD WEAR · elan WWW.ELANSKIS.COM · DALBELLO

Our sister resort, Mountain High, is Southern California's closest winter resort, located just an hour and a half from Los Angeles and Orange County. Stevens season pass holders ski or ride three FREE days at Mountain High. Discover it at mthigh.com.

STEVENS PASS

TRAIL MAP 2016/2017

Nighttime is the right time to shred at Stevens Pass! During Peak Season, we offer skiing and riding under the lights until 10pm, Wednesday - Sunday and some holiday periods.

Up to six chairlifts are lit up for night operations: Hogsback Express, Skyline Express, Kehr's Chair, Tye Mill, Brooks and Daisy.

For more details, visit www.stevenspass.com.

ENVIRONMENTAL COMMITMENT

Careful stewardship of the mountain is essential to our success and we are committed to incorporating a genuine environmental ethic into our day-to-day actions. We strive to provide our guests the same opportunity through our extensive recycling and composting programs, mass transit options and by providing EV charging stations, to name a few of our ongoing initiatives. These efforts have earned us national recognition, including the following accolades:

- Stevens Pass was named the country's **#1 environmental resort** in 2013 by the Ski Area Citizens' Coalition, scoring 93 out of a possible 100 points. The non-profit organization cited plans for on-site renewable energy generation among the factors that garnered Stevens this award.
- **Golden Eagle Award:** in 2012 Stevens Pass took top environmental honors in the mid-sized resort category (200,000 to 500,000 skier visits) for its energy conservation and greenhouse gas (GHG) reduction efforts.
