New adventure!

Flumserberg Galaxie

When the night becomes an experience

Fun on the Chrüz slope after dark will reach new dimensions. In the new Flumserberg Galaxie, night-time descents become even more extraordinary with fascinating multi-coloured skiing or snowboarding fun for your senses. Assisted by the magic of light art, we will whisk you off to remote galaxies whether you are on or off the slopes. Let's all join together to extend the boundaries of terrestrial night-time skiing. The extra-terrestrial adventure takes you as usual from the space station of the chairlift Chrüz on the Chrüz slope to Tannenboden.

Diving into the Flumserberg Galaxie

Fridays (from 27.12.2024 to 07.03.2025) and on three Saturdays: 28.12.2024, 15.02.2025 and 22.02.2025 (in good snow and weather conditions) from 18.30 to 21.30 hrs.
