SNOW SUFFOCATION HAZARD
Tree Wells & Deep Snow Immersion

Avoid Tree Wells and Keep Your Partner in Sight

WARNING: RISK OF AVALANCHES

While snow safety and avalanche mitigation efforts by Mt. Baker Ski Area help reduce the risk of avalanches, snow slides and avalanches occur inside and outside of posted boundaries at ski areas. **AVALANCHES ARE AN INHERENT RISK OF THE SPORT** due to the characteristics of snow and its variable nature in the ever-changing mountain environment. You are responsible for becoming educated about snow safety and using this education to reduce the risk of injury or death from avalanches through your actions and awareness. More information is available at: www.nwac.us, www.avalanche.org, and www.deepsnowsafety.org.

Welcome to Mt. Baker

BY USING MT. BAKER SKI AREA and OUR FACILITIES, YOU ACCEPT THE RESPONSIBILITY TO:

- BE AWARE OF YOUR ENVIRONMENT and where you are.
- SEEK KNOWLEDGE about and understand the mountain environment including the risks, hazards, and dangers, Mt. Baker Ski Area policies and guidelines, codes and laws, and mountain activities. The information is available – there is NO EXCUSE not to.
- Use GOOD JUDGMENT and BE SAFETY CONSCIOUS at all times.
- ACTIVELY ASSESS & MINIMIZE RISKS and hazards at all times.
- RESPECT all warnings and warning signs.
- Use COMMON SENSE.
- BE AWARE OF YOUR ACTIONS and how they affect you and others.
- ACT RESPONSIBLY for your safety and the safety of others.
- ADHERE TO SAFE CHAIR LIFT AND TOW RIDING BEHAVIOR and practices.
- ADHERE TO ALL MOUNTAIN POLICIES and guidelines, as well as applicable codes & laws.

THINK - Because your safety in this rugged, ever-changing, and at times severe mountain environment is not guaranteed.
