**WARNING!** Vermont Law states that no ski area or its owners, employees, or agents shall be held responsible for ensuring the safety of, or for damages including, injury or death resulting from persons who utilize the facilities of a ski area to access terrain outside open and designated ski trails. Ski areas shall not be liable for damages including injury or death, to persons who venture beyond such open and designated ski trails. [Sec. 83, 12 V.S.A. 1038(a).]

That a person who uses the facilities of a ski area to access terrain outside the open and designated ski trails shall be liable in a civil action brought by any person, including a ski area rescue organization, municipality or the State to recover expenses incurred to provide rescue, medical or other services for circumstances or injuries which resulted from such use. [Sec. 83, 12 V.S.A. 1038(c).]

Open and designated trails are those portions of the trails posted on a daily basis that are designated for skiing by grooming preparation or posted notice, but limited by trail markings, obvious or necessary natural and/or human-made obstacles and hazards, terrain features, or other conditions. The designated portion of any trail varies from day to day and within each day, based upon weather, trail conditions, and skier use. All other areas on the mountain are not considered open and designated trails. It is up to you to know the limitations of terrain based on the changing surface conditions throughout the day. Common sense and reasonable prudence are extremely important. Stay away from trail edges and other hazardous areas.

**Please Note** It is unlawful to access Stowe Mountain Resort's lifts without a valid lift access card or season pass under Vermont's Theft of Services Laws 13, V.S.A. 2581 & 2582. Skiing or riding without a lift access card or pass or with a fraudulent lift access card or pass will result in prosecution. Lift access cards are non-refundable.

**First Aid Services** For immediate assistance and to report all accidents, please call the Ski Patrol at (802) 253-3620. Emergency Phones are available with all lift operators. All parties involved in a collision must exchange information and contact the Ski Patrol.

**Slow Zones** Certain areas (indicated on the map in yellow) are designated as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated and may result in termination of your resort privileges.

**Freestyle Terrain** Freestyle Terrain may contain jumps, hits, ramps, banks, fun boxes, jibs, rails, half pipes, and other constructed or natural terrain features. Prior to using freestyle terrain, you are responsible for familiarizing yourself with all elements and landings and obeying all instructions, warnings, and signs. Freestyle skills require maintaining control on the ground and in the air.

**Know the Code – Play It Safe** – Skiing and riding, in their various forms, are inherently hazardous sports. Trail and slope conditions change constantly with weather and use. It is your responsibility to avoid natural and human-made objects regardless of the presence of markings or other mitigation, and to avoid and use courtesy with other people. Stowe Mountain Resort uses many different types of marking devices to alert you to some hazards.

**YOUR RESPONSIBILITY CODE**

1. Always stay in control. You must be able to stop or avoid people or objects.
2. People ahead or downhill of you have the right-of-way. You must avoid them.
3. Stop only where you are visible from above and do not restrict traffic.
4. Look uphill and avoid others before starting downhill or entering a trail.
5. You must prevent runaway equipment.
6. Read and obey all signs, warnings and hazard markings.
7. Keep off closed trails and out of closed areas.
8. You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
9. Do not use lifts or terrain when impaired by alcohol or drugs
10. If you are involved in a collision or incident, you must share your contact information with each other and a ski area employee.

**SMOKING IN THE LIFT LINE IS PROHIBITED**

**Backcountry Warning** Skiing and Riding Off Open and Designated Trails: Pursuant to Vermont law, the ski area assumes no responsibility for skiers and riders going beyond the open and designated trails at Stowe Mountain Resort. Areas beyond the open and designated trails are not patrolled or maintained. Unmarked obstacles and other natural hazards exist. Vermont law also states that you shall be liable for any costs of rescue, medical or other services.

**Off Trail Policy** Wooded areas between designated trails within the ski area boundary are not patrolled and have no skier/ snowboarder services. If you ski/ride in wooded areas that are not designated trails, you are solely responsible for yourself. You must enter from and exit onto designated trails that are open to the public for skiing/riding. Failure to do so will result in the loss of your skiing/ riding privileges. Wooded areas are recommended for expert skiers/riders, in groups of three or more. Do not ski/ride alone. Unmarked obstacles exist throughout.

**Uphill Access Program – Hiking, Skinning, and Snowshoeing** Non-lift access to ski area facilities such as uphill snowshoeing, hiking or "skinning", may present high danger of personal injury to participants or others. Therefore, we have designated certain trails for uphill access, which may be limited or forbidden based on conditions, on-mountain activity, and/or mountain policy. To identify those trails that are available for use, call the Uphill Access Hotline at (802) 253-3690. Resort rescue services are not available outside of hours of lift operations. Before you participate in any uphill activities, view our full policy at [www.stowe.com](http://www.stowe.com).

**Snowcats and Snowmobiles** CAUTION – snowcats, snowmobiles and snowmaking may be encountered at any time.

**Sun Protection** We recommend eye protection and sun care products to ensure protection from UV rays.

## Midway Bar & Pizza

Pizza & Wine. Simply Divine.

Featuring fresh pizza, cold drinks, and other Italian classics adjacent to the Mansfield Gondola.
