The U.S. Trail marking symbols are used to indicate the degree of difficulty. Because trail layout, terrain, weather, etc., varies between different ski areas, the symbols used are relative to each mountain only. A novice trail at one mountain may be an intermediate trail at another. When in doubt, ask.

MOUNTAIN STATS

Summit Elevation: 4,062 feet
Average Annual Snowfall: 200 inches
Vertical Drop: 2,112 feet
 48 trails
 Terrain Park Area
 Wild Kitten
Skiable Acreage: 225 acres

YOUR RESPONSIBILITY CODE

The provisions of N.H. Rev. Stat. Ann., Title XIX, Section 225 et. seq., govern the responsibilities of all skiers, riders, and guests and are incorporated herein by reference. Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country, and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- 1) Always stay in control.
- 2) People ahead of you have the right of way.
- 3) Stop in a safe place for you and others.
- 4) Whenever starting downhill or merging, look uphill and yield.
- 5) Use devices to help prevent runaway equipment.
- 6) Observe signs and warnings, and keep off closed trails.
- 7) Know how to use the lifts safely.

UPHILL HIKING/SKIING ROUTE

Uphill access to Wildcat Mountain by lift, climbing, hiking or any manual ascent is given only after a trail pass has been purchased for the day or with a valid season pass. Users of facilities do so under NH statutes S225-A:24 and RSA 637:8. The tickets carry WMSA liability waiver. When climbing, hiking, or manually ascending Wildcat Mountain, the designated uphill route is Stray Cat to Middle Polecat to Upper Polecat and will be identified and posted in the main base lodge at the ticket counter. Use of the mountain during the winter operating season is prohibited outside of regular operating hours.

SNOW GUARANTEE

Wildcat Mountain's snow conditions are guaranteed. If you're not completely satisfied with the trail conditions, simply return your ticket to Guest Services within one hour of purchase and we'll give you a Snow Check good for another lift ticket valid that season at Wildcat Mountain. Not valid early/late season or with special discount promotions.

SKI BOUNDARY & TREE SKIING POLICY

- 1) Trees and backcountry areas beyond Ski Area Boundary are not maintained or patrolled by Wildcat Mountain.
- 2) Trees may contain hazards that will not be marked.
- 3) Trees are recommended for EXPERTS ONLY.
- 4) When you pass beyond the Ski Area Boundary, you leave the area of Ski Patrol Services. You are responsible for your own actions, your own rescue and the cost of your rescue.

PARK SMART

Start Small
Work your way up. Build your skills.

Make a Plan
Every feature. Every time.

Always Look
Before you drop.

Respect
The features and other users.

Take it Easy
Know your limits. Land on your feet.
